## **Transco bags power award**

**Hyderabad, Nov. 2:** State power utilities, **APTransco**, Central Discom and Southern Discoms have bagged the prestigious India Power Awards for 2008. The Council of Power Utilities, New Delhi has announced Best Overall Utility Performance Award for the three state-owned power utilities. The impressive operational, financial performance of **APTransco** along with its phenomenal growth of the network system was adjudged as the best in the country. At present, **APTransco** is in a position to handle a peak demand of 9500 MW, which only one or two states in the country can manage. The awards will be presented by Union power minister Mr Jairam Ramesh on Monday.
