APTRANSCO – Guidelines to be followed with respect to “Ease of Doing Business” (EoDB) – instructions - issued - Reg

T.O.O. No. CGM (HRD & Plng) Ms.No.1097

dt.25.02.2019.

Read the following:

Ref:- Lr.No.E&I&I-12022/1/2017 dt 20.02.2019 issued by the Principal Secretary to Government, Energy,I&I Department, GoAP.

PROCEEDINGS:

During the Review meeting held on 19.02.2019 with the Principal Secretary to the Hon’ble Chief Minister/GoAP, it was advised to strictly follow the following guideline mentioned in the Business Reforms Action Plan (BRAP-2019), of the DPIIT (Department for Promotion of Industry & Internal Trade, GoI), which were communicated by the Principal Secretary to Government, Energy, I&I Department, GoAP vide reference cited for immediate implementation.

1. Charged Electrical connections for industrial use should be released as per the following timelines.
 - Connections including CEIG approval (if required) upto 200KVA to be provided within Seven days (**where no RoW is required**).
 - Connections including CEIG approval (if required) upto 200KVA to be provided within Fifteen days (**where RoW is required**) from the date of application for electrical connection.
 - The case of virgin territory will not be considered for the evaluation. (Virgin territory for these reforms means locations where new line needs to be laid beyond 500 meters from the nearest available head).
2. Procedure for applying new connection and common application format already existing in the Single Desk Portal (SDP) website of Industries Department shall be adhered to.
3. The letter cited in the reference cited is already uploaded in the APTRANSCO website, which is again enclosed for immediate implementation.
